

Civil Air Patrol Pilot Training for Mountain Search Flying

At this exclusive event we will be covering Search Procedures as well as Mountain Flying safety, aircraft performance, emergency procedures, mountain weather/winds and their effect on aircraft performance., and survival skills. After completion of ground school, each CAP Pilot will fly with a Mountain Fury certified CAP training pilot to perform actual search flights in the Blue ridge Mountains of North Carolina.

NOTE: This event is for Civil Air Patrol Pilots only. Web only event.

Directions: All training will be conducted at the Asheville CAP Squadron Headquarters Building with flights originating and recovering at KAVL.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
